Fall 2023

A Place to Grow:

Where learning continues beyond the school day

Our Before & After School Programs offer students enriching opportunities for discovery and exploration before and after the normal school day hours. These programs provide numerous options for fun while also reinforcing the essential lessons and values taught throughout the school day.

Extended Day

Our Extended Day program allows busy working families the flexibility to drop-off before the school day starts and pick-up after the normal dismissal time. Our program is organized into five subject areas that are designed to provide your child with opportunities to learn valuable life skills, and to reinforce the skills they're learning during the school day, while providing plenty of time for fun with friends.

Program Details:

- Hours: 7 am – 6:00 pm
- Nutritious meals and snacks to help children form healthy eating habits (provided by parents)
- Dedicated and specially trained staff members with experience in working with older children.

Clubs & Enrichment

Our Clubs and Enrichment Programs are great ways for your child to expand on their interests or pursue new passions. These can be added in conjunction with our Extended Day Program or independently. This program offers families an opportunity to enroll their student in one or more days of after school activities without leaving the convenience of our campus.

Program Details:

- Hours: Varies by Club & Enrichment
- Dedicated and specially trained staff members in specialty area.

Extended Day

Extended Day

Our program is organized into five subject areas that are designed to provide your child with opportunities to learn valuable life skills and to reinforce the skills they're learning during the school day.

Students explore the exciting world of science, technology, engineering, art and math (STEAM) through building projects, experiments, and design challenges. Sharing ideas, asking questions, and making predictions are encouraged!

Robust outdoor free play and structured games help students learn sportsmanship and develop their physical strength and endurance. Students learn critical thinking and problem solving by participating in board games and team challenges with their peers.

Students express themselves by participating in hands-on visual arts, including photography, videography, drawing, and painting. Students develop planning skills by working on long-term projects with their peers and can participate in group performances or discussions.

Social and emotional growth is nurtured through student and teacher led activities that promote a feeling of community and belonging. Students learn through open-ended activities that give them a chance to apply problem-solving skills and collaborate with friends.

Some students appreciate the chance for independent activities or study after a long day at school. We provide a quiet place to work on homework, read, journal, or seek academic support from peers and teachers. Students can also work on various projects in this small group setting.

Clubs & Enrichment

Art Fundamentals

If your child is interested in realistic drawing, painting, and sculpting from life and imagination, then this is the class for them. **Each lesson covers an important art concept**, needed for fluent representational drawing and painting. Students get to create their original artworks from scratch within the guidelines of the topic. They learn to draw human faces, figures, animals, nature; use watercolor, acrylics, pencils, and clay.

Grades: KG – 2G

10 Weeks 9/19/2023 - 11/28/2023

Weeks Offered & Time: Tuesday 3:30 – 4:30

Cost: \$ 360.00

Instructor: Art School of SF Bay

Hip Hop Dance

Hip hop is one of the most popular dance forms today and is continuing to grow in popularity. Learn the fundamentals of this creative dance style on trending and upbeat songs. This class is not only fun and exciting but will also help develop hand eye coordination and motor skills.

Grades: KG – 5G

10 Weeks 9/22/2023 - 12/15/2023

Weeks Offered & Time: Friday 3:30 – 4:30

Cost: \$ 240.00

Instructor: Starz Dance Academy

Pickle Ball

Kassirer Pickleball was created by Laura Kassirer, a former Wimbledon player, so students can have fun learning a sport they can play for a lifetime conveniently at school with their classmates. Coaches set up portable nets on your blacktop to create Pickleball courts. Pickleball is a cross between ping pong, badminton and tennis and is a sport the whole family can play together. It is fun and easy to learn, and also helps develop the skills needed to learn tennis. Pickleball is a social, fun, sport that allows kids to quickly start rallying, serving and playing games on a court which is 1/4 the size of a tennis court. Kids will improve their hand-eye coordination, reaction, fitness and movement. We provide loaner Engage Pickleball paddles during class. Just wear athletic shoes and attire and our coaches will provide the rest!

Grades: KG – 5G

10 Weeks 9/18/2023 - 11/27/2023

Weeks Offered & Time: Monday 3:30 – 4:30

Cost: \$ 250.00

Instructor: Kassirer Entertainment

Technology & Engineering

Game Design

Ever wanted to build your own games or apps? Love Roblox or Minecraft? Well, this is the class for you! In this course, students will learn the skills of a coder through conceiving, designing, and creating their own mobile app games. The resulting games can be shared online and texted to friends for them to play on their phones. It's a great way to combine learning with fun with becoming a game developer. You don't need any previous experience or special software to take this: all you need is your creativity and a laptop.

Grades: 1G – 3G

10 Weeks 9/25/2023 - 12/4/2023

Weeks Offered & Time: Monday 3:30 – 4:30

Cost: \$ 270.00

Instructor: VAC Enrichment

Build Your Own App

Have you ever wanted to make your own websites and apps? In this hands-on coding and tech club, you'll learn the skills of a coder and the mindset of an entrepreneur through building apps - your own app and also an app for local nonprofits. You'll build apps and games every week in the course and work on real web apps. Previous students have been covered in multiple local news outlets for apps they've built for homeless shelters, veterinarians, and local climate nonprofits!

Grades: 3G – 5G

10 Weeks 9/27/2023 - 12/6/2023

Weeks Offered & Time: Monday 3:30 – 4:30

Cost: \$ 270.00

Instructor: VAC Enrichment

Other Clubs

Food Explorers

Food Explorers Club Cooking offers young chefs the chance to explore exciting tastes (all seasonal and as local as possible!), nourish their bodies and minds, and master culinary skills such as knife skills, food, and kitchen safety (that they can put to use in family kitchens!), All our talented Chef Instructors are Food and Nutrition graduates passionate about teaching culinary nutrition. They will bring all ingredients, equipment, and supplies to lead an engaging, fun, and interactive cooking class with your young chefs in training. Our cooking classes are a BLAST for all ages!-Our recipes are always Nut Free, and we try to accommodate all Food Allergies.-You'll never repeat a recipe! We have ALL NEW recipes planned throughout the school year!

Grades: KG – 3G

8 Weeks 9/20/2023 - 11/29/2023

Weeks Offered & Time: Wednesday 3:30 – 4:30

Cost: \$ 328.00

Instructor: Diets and Life

Challenge Island

Pack your suitcases for Challenge Island's® World Tour! You and a STEAM Team of friends will engineer your way around the globe - from the Eiffel tower to Sydney Harbor Bridge to the Taj Mahal to Mt. Kilimanjaro. You'll design an African safari, Antarctic penguin toboggans and even stir up some Colombian STEAMbucks coffee slime. An unforgettable journey across oceans and continents, this globe-trotting island is a not to be missed Challenge Island adventure.

Grades: KG – 2G

10 Weeks 9/22/2023 - 12/15/2023

Weeks Offered & Time: Friday 3:30 – 4:30

Cost: \$ 300.00

Instructor Challenge Island
